## Annual Fireline Safety Refreshers

**NOTE FOR DNR REFRESHERS.** Refreshers this year changed nationally, they are now going to be 4 hours in length. At some places we will have 2 refreshers, 1 in the morning from 8am-12pm and 1 in the afternoon from 12:30-4:30. Some locations will have one session, in which case the time will be adjusted as needed. They will all still have the shelter deployment and the national standards.
